## Private 1 Day-Lochs and Castles Tour – APPROX. 8 HOURS

Our Lochs and Castles tour offers a wonderful mix of Scotland's heritage and magnificent landscapes. During your time with us, we visit stunning Loch Lomond & Historic Inveraray, with ship to ship service from Greenock Cruise Port.

Firstly, we head to Bonnie Loch Lomond and The Trossachs National Park. There are plenty of photo opportunities with Luss and Tarbet offering great views of the Loch and Ben Lomond. We'll stop at Luss on the west side of Loch Lomond, which is often quoted as being one of the prettiest villages in Scotland. It's famed for its quaint slate cottages, decorative hanging baskets and breath taking views of Loch Lomond. At Luss, you'll also have the chance to meet the famous Highland "Coos" at Faerie Tale Farm as well as Alpacas, pygmy goats and donkeys.

We'll go onward to Loch Fyne, where you can stop off at the Loch Fyne Oyster Bar, a company dedicated to providing Scotland's finest seafood to their visitors and connoisseurs across the world.

Our next stop is Inveraray Castle, the ancestral seat of the Dukes of Argyll – Chiefs of the Clan Campbell whose family have resided in Inveraray since the early 15th century. The Castle's fairytale façade houses an equally fascinating interior, including the Armoury Hall, the State Dining Room and the Tapestry Drawing Room which contains magnificent French tapestries woven especially for the Castle. The castle's beautifully maintained garden and expansive estate offers some beautiful walks. Alternatively, you can choose to visit Inveraray Jail and courthouse, an award-winning museum that graphically recounts prison conditions from medieval times up until the 19th century. There will then be some free time for you to explore the lovely quaint local High street and its decorative shops displaying all things Scottish. Ideal for souvenirs.

Heading back to ship we will stop at The Rest & Be Thankful – the highest point on the A83, and 803 ft above sea level. From the viewpoint of this famous beauty spot you can see the old valley road, engineered by General Wade. A stone was erected to commemorate the completion of this military road in 1750. Your Private tour will cover all the must-see sights of Loch Lomond and the Trossachs National Park, at a pace which suits you
